HEIDELBERG  
ZUKUNFT  
SEIT 1386

# MOLECULAR SYSTEMS SCIENCE AND ENGINEERING

An interdisciplinary master's program for

## PHYSICISTS, CHEMISTS & (BIO)ENGINEERS

Study fundamentals and  
develop new technologies.

Become part of the dynamic  
research environment at the  
Institute for Molecular  
Systems Engineering and  
Advanced Materials  
(IMSEAM).

Apply for the coming winter semester  
from February 1<sup>st</sup> to March 15<sup>th</sup> at  
<https://www.imseam.uni-heidelberg.de/en/msse>
